Estimate details
Estimate no.: 1369
Estimate date: 08/14/2025

#	Date	Product or service	Description	Qty	Rate	Amount
1.		Monthly Lawn Service	LAWN SERVICES: 1. Turf to be cut at a height of 3.5 – 4.5 inches depending on time of year and conditions. (2) Cuts per Month October thru April (4) Cuts per Month May thru September 2. Trimming of hedges 12 times per year. 3. All debris resulting from our work to be removed from the property on the same day that services are rendered. 4. Clippings to be removed from all paved and mulched surfaces after each mowing. 5. Broken and nuisance tree limbs, brown palm fronds, and fronds will be removed up to 10 (ten) feet. Lower branches and suckers will be trimmed to a clean height of 6/7 (six/seven) feet. This service is not a replacement for normal annual tree trimming services and all palms and hardwoods should be formally trimmed yearly in accordance with ISA Arborist recommendations. 6. Where possible, all turf shall be free of obstacles as to prevent damage from equipment. Where necessary, turf obstacles shall be maintained with a string trimmer to present a neat	12	\$13,500.00	\$162,000.00

appearance.

7. The Company Account Manager shall inspect the property after each service to ensure all standards have been met.

Total

\$162,000.00
